

A photograph of three people jumping over a large pile of plastic waste on a beach. The person on the left is wearing a black t-shirt with 'BEACH CLEAN' and 'PACIFIC' on it, white shorts, and a white cap. The person in the middle is wearing a black t-shirt and red shorts. The person on the right is wearing a black t-shirt with 'BEACH CLEAN' and 'PACIFIC' on it, black shorts, and a white cap. They are all jumping over a large pile of plastic waste, including bags and bottles, on a beach. The ocean is in the background.

**JOIN OUR
ALLIANCE!**

Discover ways in which you can become part of **Plastic Free: Zero Waste Alliance Ibiza & Formentera** and contribute to a future free from single-use plastics and committed to zero-waste practices. Here's how you can get involved.

OUR VISION 2030

For Ibiza and Formentera to rank among the top 10 zero-waste islands in the Mediterranean.

1. Become Part of the Alliance

FOR IMPACT-DRIVEN AND NON-PROFIT ORGANISATIONS

Designed for NGOs and social businesses focused on circularity and zero waste. As a member entity, you'll have the opportunity to:

- Participate in the Alliance's strategic meetings.
- Join forces to create a greater impact across the islands.
- Contribute to our vision of making Ibiza and Formentera two of the top 10 zero-waste islands in the Mediterranean by 2030.
- Influence local policies with a united voice.

This role is ideal for NGOs that seek active and direct involvement in our initiatives.

FOR BRANDS AND INDIVIDUALS: LET'S BE FRIENDS

Designed for businesses, brands, and individuals who genuinely and honestly practise or promote zero-waste principles. Becoming a "Friend of the Alliance" allows you to:

- Strengthen a shared vision for a zero-waste future on the islands.
- Associate your brand with a real commitment to the circular economy.
- Show your support with flexibility, without the need for daily involvement.

If your brand wishes to collaborate and support the vision of zero-waste islands, joining as a "Friend of the Alliance" is an effective way to amplify our voice and contribute to meaningful change on the islands. This is ideal for companies and committed organisations looking to support the Alliance's mission without direct, day-to-day involvement.¹

1. Our alliance is an independent initiative, free from any political affiliation. We believe that managing waste efficiently and progressing towards zero waste and a circular economy is a shared responsibility for the entire community, and one that transcends political ideology.

2. Get Certified

For hospitality sector companies aiming to reduce their environmental impact. The certification Plastic Free Balearics is currently evolving to integrate zero-waste criteria, with more information on this new approach to be shared in early 2025.

This is an ideal option for establishments seeking an environmentally recognised certification tailored to the Balearic context.

3. Organiza una limpieza

- Hosting a beach clean-up is a fantastic way to contribute to zero-waste goals and care for our environment.
- Our alliance encourages companies and organisations to lead these initiatives and, where we can, we're happy to offer support.
- With limited resources, we prioritise pre-planned activities that align with our vision, but we're open to exploring ways to make each clean-up meaningful and impactful for our islands.

4. Donate and Support Our Vision

Your donation truly makes a difference. Financial contributions allow us to grow and continue our work towards a zero-waste future in Ibiza and Formentera.

- **Individual Donations:** Every contribution, big or small, supports our work in awareness, education, and waste management.
- **Corporate Donations:** Support our work and show your company's commitment to a zero-waste, circular economy.

Ready to support the future of the islands? Donate and be part of the transformation.

Please note: Donations to Plastic Free are managed by the Ibiza Preservation Foundation, which supports the operational costs of the Alliance and enables our ongoing work and initiatives on the islands. Details on how to donate are available on our website.
